

Rivierans to Discuss 'High Rise' Next Monday

The Hollywood Riviera Homeowners Assn. will meet Monday evening Feb. 5 at Parkway School at 8. The pros and cons of "high rise" construction will be the main topic of discussion.

Speaking in favor of high rise will be R. V. Matteson, chief architect of Koebig and Koebig, architects and engineers, Los Angeles.

Raymond Hemphill of Pioneer Investment Co. will speak opposing high rise.

Other topics slated for discussion Monday include a report on the proposed youth center in El Retiro Park which will be made by Tom Roach, and a discussion of a block system for Civil Defense.

Dick Dodge will explain a proposal to set up a block system to assist handling emergencies in the Riviera area.

Homeowners officials said school authorities were interested in using the system to take care of children who would be sent home from school in the event of an emergency.

THE HOLLYWOOD Riviera Rotary Club will meet today for lunch at the Plush Horse. Jack Farber, program chairman, announces the speaker will be Tom Z. Wang, who will tell the group about the effects of communism in China today.

Mr. Wang, formerly a businessman in Shanghai, is now in business in the Compton area.

He received his early education in Nanyang, then came to the United States where he received his degree in business administration from the School of Commerce, University of New York. Returning to China he was assistant manager of the Bank of China and was delegate from China to the British-American Conferences for the reform of the Chinese monetary system. He also served as chairman of the Information Center in China for the American armed services and he is now serving as president of the Chinese Students Union of America.

Business at today's Rotary meeting will include getting together committees for the International Rotary Convention to be held this spring in Los Angeles.

THE SATURDAY Evening Section of the Hollywood Riviera Bridge Club met at the home of Mr. and Mrs. Leonard Glatts Jan. 20. Attending were Mr. and Mrs. Gene Bostrum, Mr. and Mrs. Jack Hackman, and Mr. and Mrs. Jack Pelton. Winners were the Bostrums. Mrs. Sam Conte is club chairman.

THE MOTHERS' Club of Resurrection Lutheran Church met last Monday evening at the home of Mrs. Geoffrey Burgan. Dody Frost, a school teacher, talked on indoor activities for pre-schoolers on sick and rainy days. Members of the club are mothers of children six years of age and under.

THE PHILLIP CHASES of 120 Via Sego, Hollywood Riviera, who have just returned from Switzerland, are having their neighbors in these evenings to view colored slides of their trip. Especially beautiful are the scenes of the Swiss Alps and the French resort, Chamonix.

The Chases spent most of their time in Geneva and near by Onex where their son, Stephen, lives with the William Lears. (Mr. Lear is chairman of the board of Lear Aircraft.)

While in Geneva they took in a performance of a Bael Oratorio and dined at several famous restaurants to try unusual dishes. They report Geneva is quite an international city with many people of different nationalities, and they found that a knowledge of French came in handy.

They were quite taken with the quaint shops in Lausanne and the Germanic influence of Zurich. A high point of the trip was an open house at the Lears' where people from the communities of Onex and Bienne were entertained. The Chases flew home via Madrid and Lisbon, arriving at L.A. International Airport on one of the few fog free days after a perfect trip.

Latest word from their son is news that he will accompany the Lears to New York Feb. 3 on the maiden voyage of the new liner, "The France." He will be in New York visiting furniture shows for five days — then back to Europe.

MR. AND MRS. John Waltr, 376 Paseo de Gracia, have just returned from the Scottsdale, Ariz. area where they spent a winter vacation. Staying at the Ramada Inn while sightseeing, they especially enjoyed going through some of the old adobe buildings in Tucson, and were quite surprised to see so much adobe being used in new construction. A return trip is planned in the near future as the Waltris want to bring back some of the beautiful handmade Mexican and Indian tiles for use in their home here.

UP IN Palos Verdes Riviera, Mr. and Mrs. Clarence Crosby of 5201 Paseo del Paven are entertaining Mr. Crosby's mother, Mrs. Evelyn Brooks, who is here from San Mateo for a few months.

AND THE Crosbys' neighbors on Paven, the Ed Gerdings, are having a visit with Mrs. Gerding's parents, Mr. and Mrs. Emil Wolf, from Teaneck, N. J.

Mrs. Crosby is planning a luncheon in honor of the mothers at her home this week.

DOUGLAS URBAN, 13-year-old son of Mr. and Mrs. Leonard Urban, 134 Via Pasqual, was featured in a recital of the South Bay Music Arts Assn. last Saturday evening at the Redondo Women's Club. A student of violin for three years, this was his sixth public appearance and he chose to play the third movement of a Concerto by Nardini for Violin. Besides music, Douglas' other interests include skiing and swimming. He is a member of the Junior Lifeguards.

WE HEAR a Hollywood Riviera housewife opened her home to the L. A. County tax assessor last week. The rooms were sparsely furnished. Most pieces were at the upholsterers. But a little neighbor girl visiting the housewife, soon set the assessor straight about the lavish new furniture that was to come! "The truth will out."
